

COMPANY ANNUAL RETURNS

All companies registered on the Alderney Company Register are required to file an Annual Return, recording information current at 1st January 2022, by 31st January 2022.

Notice is hereby given that if any company does not file its Annual Return, recording information current at 1st January 2022 by 31st January 2022, then it will only be accepted upon full payment of the filing fee together with the appropriate late filing penalties under Section 37(5)(d) of The Companies (Alderney) Law, 1994.

The Beneficial Ownership (Alderney) Law, 2017 requires that every Company submits a statement with their Annual Return confirming that the information supplied to the Registrar concerning Beneficial Ownership is current.

You are reminded that delay in filing an Annual Return and Statement of Beneficial Ownership could lead to the striking off of the company.
